Since 1981, OAD Orthopaedics has been providing comprehensive orthopaedic care and services throughout Chicago's western suburbs. All of our physicians have special training in the major areas of orthopaedics including:

- **Adult Orthopaedics**
- **Sports Medicine**
- **Spine-Back and Neck**
- **Physical Medicine and Rehabilitation**
- **Foot and Ankle**
- **Hand, Wrist, Arm and Elbow**
- **Microsurgery**
- **Endoscopy and Minimally Invasive Surgery**
- **Workers' Compensation**
- **Physical, Occupational/Hand and Industrial Therapy**

From acute injuries, sprains and strains to arthritis, OAD's specialists provide conservative/nonsurgical and surgical expertise for any type of orthopaedic and musculoskeletal problem. We offer a full range of treatment options, diagnostic aids, injection therapies, and on-site services such as customized physical, occupational and massage therapy at multiple OAD locations.

Our surgical specialists have expertise in performing all orthopaedic procedures, including cervical disc replacements, micro-discectomies, hip, knee, ankle, and shoulder (total and reverse) replacements, hip arthroscopy, and pediatric hand/upper extremity surgery.

Surgical services are provided at nationally recognized hospitals, Central DuPage Hospital (CDH) in Winfield and Edward Hospital in Naperville, and the DuPage Orthopaedic Surgery Center (DOSC) in Warrenville.

OAD's premier orthopaedic care and services are available at six convenient locations in Warrenville, Wheaton, Carol Stream, Naperville, Bartlett and Glen Ellyn. Our main facility in Warrenville has an MRI Center and physical and occupational therapy departments including work conditioning/simulation areas for industrial rehabilitation. OAD's Naperville office is another full service medical facility with an MRI Center and physical and occupational therapy services.

Availability

Our office maintains a 24-hour telephone answering service for urgent problems and acute injuries that occur outside of normal office hours. Call the answering service at (630) 225-BONE (2663), and they will contact the physician for you.

Fees

- Payment is expected at the time of service. Patients are responsible for paying their co-pays at the time of visit as per their insurance contract. Patients will receive statements for any other outstanding patient responsibility and are required to pay the balance within 30 days.
- Our Patient Advocates are available to review account balances, provide pre-surgical estimates and make necessary payment arrangements with patients.

Medication Requests

All requests for medications should be phoned to the office between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday at (630) 225-BONE (2663). Authorized requests will be phoned to the pharmacy of your choice between 4:00 p.m. and 5:00 p.m.

Billing Office-Insurance

As a convenience to our patients, we participate in many different insurance plans. Please provide us with appropriate insurance information, including claim forms, prior to or at the time of your office visit.

Our billing office is available to assist you with any questions you have about your charges. Contact our billing staff directly between 8:30 a.m. and 4:30 p.m., Monday through Friday at (630) 225-BILL (2455).

Finance Charge

If OAD does not receive full payment after 90 days from the date of service, OAD may begin adding interest to the balance at a rate of 1.5% per month, or the highest rate allowed by law, on all amounts due and owing to OAD. In this event, interest shall accrue from the date of service. Acceptance of late or partial payments (even if marked "paid in full") shall not waive any of OAD's rights to collect the full amount due. In addition to the foregoing, the patient shall pay OAD's costs and attorney's fees incurred in collecting any overdue amounts from the patient.
